

## **Get Smart! Smartboard Training**

Got a Smartboard in your classroom but not sure how to use it? This training will make sure you understand the functions of your Smartboard and its related software.

The following serves as introduction for basic and advanced features that you can request for additional training.

### **The Big Pictures**

- Identify the different components (hardware & software)
  - Smart Whiteboard
  - Smart Notebook
  - Lumio
- Know how to access each, their functions, and how they interact
- Overlap and similar functions for each
- Choose what works for you
  - No right/wrong way for you
- How to involve students and allow them to use Smartboard?

### **Smart Whiteboard**

- Why would you use the Smart Whiteboard?
- How to access the Smart Whiteboard?
- Other stuff to know about the Smart Whiteboard.
- Interactive Display setting and accessing Smart Whiteboard. (Home button)
- Whole class whiteboard / Shout It Out (interactive)
- Screenshare
- Activity – Explore what you learn.
  - Gather back for group challenge ideas for ice breaker and how students can get involved. We will try to play Pictionary.

### **Smart Notebook**

- How to access the Smart Notebook?
- Why would you use the Smart Notebook?
- Other stuff to know about the Smart Notebook.
  - Additional setup may be required by ITS if the license is expired.
- Setting up Smart Notebook Interface
- Create Interactive Assessment – Activity and questions based
- SmartInk Show/Hide
- Tools and Toolbars
- Gallery and Content
- Assessments
- Recording with Smart Recorder and Screen Capture (Can use Zoom recording on top)
- Activity – Explore what you learn.

## **SMART Lumio**

  - Creating Activities
  - Importing Resources
  - Templates
    - New Page
    - Shout It Out
    - Response
    - Game-Based Activities

## **Additional Resources**

### **Lumio Access Link**

Here is the link to access and sign in to Lumio. Remember to use the Microsoft account option and that your username will look like this: tc0070505@francistuttle.edu. <https://legacy.smarttech.com/en/lumio>

### **Lumio Training Link (Great How-To Resources)**

You can also access this page by clicking on the Training button on your Lumio dashboard.  
<https://legacy.smarttech.com/training/lumio>

### **Student Access To Lumio**

Francis Tuttle does not support accounts for students. So, you will need to have students always sign in as a guest.

### **Reviewing Student Responses**

When students answer “quiz” or response-type questions in Lumio, you can see how individual students responded by clicking on the “Export Results” link of any given response page.
